("TRANSFeree"), and the United States General Services Administration  
("GSA") enter into this Agreement as of \_\_\_\_\_

[Date]

(A) The parties agree to the following facts:

(1) The Government, represented by various Contracting Officers of the General Services Administration, has entered into that certain lease (the "Lease") of real property with Transferor: Lease No. GS-11P-LVA-12726.

[Lease No.]

The term "Lease" as used in this Agreement, means the above-described lease, including all modifications, made between the Government and Transferor before the Effective Date of this Agreement (whether or not performance or payment have been completed and releases executed if the Government or the Transferor has any remaining rights, duties, or obligations under these modifications). In addition, included in the term "Lease" are all modifications made under the terms and conditions of the Lease after the effective date of this Agreement.

(2) As of December 21, 2016, Transferor has transferred to

[Transfer Date]

Transferee all the assets of Transferor involved in performing its obligations under the Lease by virtue of a Substitute Trustee's Deed

[Describe Transaction (example: a warranty deed to the Property)].

(3) The Transferee has acquired all of the rights of the Transferor under and pursuant to the Lease by virtue of the above transfer.

(4) The Transferee has assumed all obligations and liabilities of the Transferor under the Lease by virtue of the above transfer, (subject to and except for the terms contained in the last sentence of Section (B)(2) below).

(5) The Transferee is in a position to fully perform all obligations that may exist under the Lease.

(6) It is consistent with the Government's interest to recognize the Transferee as the successor party to the Lease.

(7) Evidence of the above transfer has been filed with the Government.

(B) IN CONSIDERATION OF THESE FACTS, THE PARTIES AGREE THAT BY THIS AGREEMENT:

(1) The Transferor confirms the transfer to the Transferee, and waives any claims and rights against the Government that it now has or may have in the future in connection with the Lease.

(2) The Transferee agrees to be bound by and to perform the Lease in accordance with the conditions contained in the Lease. The Transferee also assumes all obligations and liabilities of, and all claims against, the Transferor under the Lease as if the Transferee were the original party to the Lease, except for claims sounding in tort, brought by or against the Government.

(3) The Transferee ratifies all previous actions taken by the Transferor with respect to the Lease, with the same force and effect as if the action had been taken by the Transferee, subject to the exceptions in the last sentence of Section (B)(2) above.

(4) The Government recognizes the Transferee as the Transferor's successor in interest in and to the Lease and shall only look to Transferee for the performance of landlord's obligations under the Lease. The Transferee by this Agreement becomes entitled to all rights, titles, and interests of the Transferor in and to the Lease as if the Transferee were the original party to the Lease. Following the effective date of this Agreement, the term "Lessor", as used in the Lease, shall refer to the Transferee.

(5) Except as expressly provided in this Agreement, nothing in it shall be construed as a waiver of any rights of the Government against the Transferor.

(6) All payments and reimbursements previously made by the Government to the Transferor, and all other previous actions taken by the Government under the Lease, shall be considered to have discharged those parts of the Government's obligations under the Lease. All payments and reimbursements made by the Government after the date of this Agreement in the name of or to the Transferor shall have the same force and effect as if made to the Transferee, and shall constitute a complete discharge of the Government's obligations under the Lease, to the extent of the amounts paid or reimbursed.

(7) The Transferor and the Transferee agree that the Government is not obligated to pay or reimburse either of them for, or otherwise give effect to, any costs, taxes, or other expenses, or any related increases, directly or indirectly

arising out of or resulting from the transfer or this Agreement, other than those that the Government in the absence of this transfer or Agreement would have been obligated to pay or reimburse under the terms of the Lease.

(8) The Lease shall remain in full force and effect, except as modified by this Agreement. Each party has executed this Agreement as of the day and year first above written.

(9) Each of the persons executing this Agreement on behalf of Transferee does hereby covenant and warrant that such entity is a duly authorized and existing entity, is qualified to do business in the state listed above, with full right and authority to enter into this agreement, and that each and every person signing on behalf of Transferee is authorized to do so. Upon request, Transferee shall provide Government with evidence satisfactory to Government confirming the foregoing covenants and warrants.

(10) This lease is hereby amended to include the provisions of GS Form 3518, which is attached hereto and made a part of this Agreement. [GS Form 3518 does not apply to Transferor and does not need to be completed prior to execution of this form by transferor.]
